+ REPORTING ON HAITI - Reporting on events surrounding the recent elections in Haiti by the FBIS bureaus in Key West and Panama elicited a personal message of appreciation and praise from Major General Milligan, who characterized the responsiveness and support provided to the deployed staff of U.S. Forces Caribbean and CJTF 140 as "particularly impressive." General Milligan pointed out that the information provided to his staff aboard the USS Mt. Whitney was the source of "unique and valuable insights into the mood and reactions of the Haitian population," and was often "the only information available on developments outside the Port-au-Prince area."
